INFORMATION

Reaching the **next generation** of
the Plumbing and Heating Industry

www.hipstudent.co.uk

UNIQUE TARGET AUDIENCE

- HIP! is unrivalled as the only free publication specifically targeting the next generation of Heating Engineers and Plumbers.
- In addition to short courses, such as Water Regulations, Unvented Hot Water Storage Systems and Energy Efficiency for Domestic Heating, both HIP! titles are distributed nationwide to those studying the following courses:

City & Guilds 6129 Plumbing Level 2 and 3
 City & Guilds 6128 Heating and Ventilation Level 2 and 3
 NVQ 6089 Plumbing Level 2 and 3
 NVQ Heating and Ventilation Level 2 and 3
 ACS Core Gas Assessment

- Plumbing & Heating Lecturers are contacted before the publication date to confirm accurate student figures.
- In addition, every plumbers' merchant that is listed in the HIP! Book is supplied with a copy for their own use. Further copies are distributed at national trade exhibitions.

BENEFITS FOR ADVERTISERS

If you invest in Level 2 and Level 3 plumbing and heating engineering students:

- You will be encouraging brand loyalty at an early age
- You will have a voice amongst your future buyers
- You will be investing in your future customer base
- The new entrants into the industry will become familiar with who you are and with your product range
- As a bonus, plumbers' merchants will have your contact details and product information

HIP! Website

The internet is one of the most effective marketing tools to reach young people. For a minimal cost, we can link our website to yours, post your plumbing and heating tips, your latest product and news releases, your advertisements and contact details. The site also offers students and tutors details about new courses, an online magazine, a forum, revision guides and career advice.

To check out the website, go online at www.hipstudent.co.uk

HIP! Book Size: A5, Annual - September

Regular features

- Safety
- Tools and Purchases
- New Products and Innovations
- Tips and Technical Advice
- Renewables
- Further Training
- Showers
- Bathrooms
- Energy Efficient Products
- Water Treatment
- Heating Controls
- Oil
- Gas
- Water Treatment
- Working in the Industry
- Air Source Heat Pumps
- Revision Guide
- Industry Contacts
- Directory of Plumbers' Merchants by Area

HIP! Magazine Size: A4, Termly - three times a year

Regular features

- **Exam preparation** - Revision guides based on Level 2 and 3 course syllabus
- **Recruitment specials** - Advice on how to write your CV and where to go to find suitable work
- **Step by steps** - Useful installation and servicing guides taking the students step-by-step through the correct procedures
- **Interviews** - We find out more about our readers and industry experts
- **Who is?** - Each issue we run a profile on a particular product, manufacturer or merchant
- **Product showcase** - A product showcase of the latest plumbing and heating innovations hitting the industry
- **Book review** - Each term a different text book is chosen by a tutor or student who offers their feedback
- **Classified** - An opportunity for readers to find out about other courses on offer in their area, job vacancies, tools and materials for sale

HIP!-EX The No.1 trade show for trainee plumbers

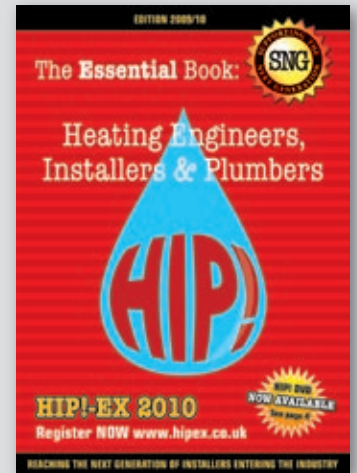

In addition to meeting with UK trainee plumbers, this is a valuable opportunity for manufacturers and trade associations to meet face-to-face with hundreds of plumbing and heating tutors, course curriculum managers and internal verifiers.

For up-to-date show information go online at www.hipex.co.uk

HIP! UK Apprentice Plumber of the Year Competition

Each year HIP! searches the length and breadth of the UK to find the HIP! UK Apprentice Plumber of the Year. Colleges and training centres put forward their best apprentice to battle it out in the regional heats and hopefully go on to win the national final held each year at HIP!-EX.

If you would like to donate tools or materials or to find out more about sponsorship opportunities contact celia@sng-publishing.co.uk
